

CROYDON WIND SYMPHONY NEEDS YOU!

Croydon Wind Symphony is a fun, community based concert band that has been performing for over 40 years. We cater to all skill levels and types of players and perform a wide range of music, including traditional concert pieces, popular theatre suites and pop songs. We entertain regularly by hosting our own dinner dances and concerts and performing at fetes and festivals around the community.

We would love for you to come and join our band and swell the ranks. We don't require auditions—just bring your instrument, come along and have fun!
